

Dear Parents,

Do you think your child is ready to take the next step and play Travel soccer?

The Livingston Soccer Club will be holding tryouts for our Fall 2023/24 Travel Season on Saturday, May 13th and May 20th from 9:00 AM - 6:00 PM, Location to be announced at a later date. Your child will only need to try out for one hour each weekend.

We are opening this up to the following age groups (2016-2009). If we can get enough players interested at a specific age, we will pursue a team or fill any 2023-24 team needs. These tryouts are for the 2023/24 season. New and current players must tryout. Players will need to try out again for the 2024/2025 season in the Spring of 2024. Tryout times will come at a later date. Registration will be open in April. You must be registered to tryout. No one will be able to register during tryouts. Anyone not registered will not be able to tryout.
